MOUNTAIN BIKING EVENING

PRESENTED BY NORCO PERFORMANCE BIKES

EVENING PROGRAM

MULTIMEDIA PRESENTATION

"Ride and Reach with Ryan Leech" combining a live, on-stage trials demonstration, video clips from Ryan's best films and a reflective speech about his progression as a world class trials rider

FILMS

"Bro vs. Mtn" (Canada, 2009, 15 min, by Brock Anderson): encounters of a "bro" riding his bike on the mountainous trails across BC through the Interior, the Lower Mainland and the North Shore of Vancouver, hitting all of his favourite riding spots along the way

"The Argentine Project" (Canada, 2009, 7 min, directed by Jeremy Grant, Mike Kinrade and John Wellburn): 3 friends taking a trip and hoping to create a mountain bike flick with one bike, 2 cameras... and a little Spanish

INTERMISSION

PRESENTATION

Bjørn Enga alive with "Radical Films - 12 Years of Making Kranked" sharing some insight from being at the forefront of mountain bike film making and showing his latest version of the Kranked flick

FILM

"Freedom Riders" (USA, 2009, 48 min, directed by Sam Pope and Chirs Kitchen): story of a small, core group of riders who evolved from covertly building rough and unsustainable trails to building some of the best freeride trails in the US)
